

3+ AGES
1-10 PLAYERS

CONTENTS:

- 10 Helper Cards
- 60 Tool Cards
- 1 Instruction Leaflet

OBJECT

- Collect all the tools for their community helpers.

HOW TO PLAY

- Each player picks one Helper Card. Depending on the number of players, each player may take more as well, equally divided among the players.
- Shuffle the Tool Cards and lay them face down in the centre in a grid.
- The youngest player begins by turning over any Tool Card. If the tool belongs to the player's helper, the card is placed on the Helper Card grid.
- If the card does not belong to the helper that the player has, the card is turned over face down in its place.
- The game continues in a clockwise direction.

GAME END

- The first player to collect all the tools for his or her helper wins the game. The game continues till all the tools are picked up.
